## QUALITÄTS- MERKMALE

### Quality features

#### Leder – ein Naturprodukt

Leder ist weich, warm und anschmiegsam. Es ist ein Naturprodukt, welches Schwankungen in Farbe und Struktur unterliegen kann.

#### Leather – a natural product

Leather is soft, warm and affectionate. It is a natural product which can have differences in colour and structure.

#### Manufaktur

Di-Modell Uhrarmbänder sind handwerkliche Spitzenprodukte und werden aus edelsten Materialien gefertigt.

#### Manufacture

Di-Modell leather straps are handmade and only precious materials are used.

#### Garantie

Die verwendeten Materialien unterliegen strengsten Qualitätskontrollen. Alle Di-Modell Uhrarmbänder haben eine Kulanzgarantie auf fertigungstechnische Mängel.

#### Warranty

The used materials are under a permanent quality control and all Di-Modell straps have a warranty for production defects.

#### Qualität

Alle Di-Modell Uhrarmbänder sind „wasserfest“ einige speziell markierte Artikel sind sogar „Waterproof 100 m“. Wasserfest bedeutet, dass alle nach dem Semi-Rembordé Verfahren gefertigten Di-Modell Bänder an den Problemzonen versiegelt sind. „Waterproof 100 m“ sind Bänder, die aus einem speziell präparierten Leder gefertigt sind und auch extremen Beanspruchungen im Wasser standhalten.

#### Quality

All Di-Modell straps are "water resistant", some models with a special indication are even "water proof 100 m". Our special technique of producing rembordé straps is sealing the straps and with this a water resistance is granted. For the water proof 100 m straps we are only using specially tanned leathers.

#### Sicherheit

Die von uns verwendeten Materialien und bereits millionenfach problemlos getragene Bänder, erlauben den Begriff: „Erfahrungsgemäß antiallergisch“.

#### Safety

The materials used by us and millions of satisfied consumers are allowing us to say that Di-Modell straps are anti-allergic by experience.

#### Artenschutz

Alle unsere Reptilbänder respektieren das Washingtoner Artenschutzabkommen und zur Dokumentation sind sie mit der abgebildeten Artenschutzfahne (CITES) erhältlich.

#### Protection of endangered species

All of our genuine reptile straps respect the decision of the Washington Convention and are labelled with species protection tag (CITES).

Sehr verehrter Kunde,  
wir beglückwünschen Sie zum Kauf  
dieses exklusiven Di-Modell Uhrbandes  
und wünschen Ihnen damit viel Freude.  
Die herausragenden Eigenschaften  
Ihres Di-Modell Uhrbandes sind:

**DI-MODELL**  
UHRARMBÄNDER

- Markenprodukt mit „Made in Germany“ und von höchster Qualität.  
**Vertrauen in Leder!**  
Die von uns verwendeten Materialien werden laufend überprüft  
und entsprechen den gesetzlichen Bestimmungen der Bedarfsge-  
genstandsverordnung bezüglich PCP, Azo-Farbstoffen und anderen  
Inhaltsstoffen.

- Kulanz-Garantie auf fertigungstechnische Mängel.
- Schlaufenanker (international geschützt) für höchsten Tragekomfort.
- Patentiertes AERO-Futter, atmungsaktiv, hautsympathisch und aus  
Erfahrung antiallergisch (bei den entsprechenden Artikeln in Ver-  
wendung).

Das Lederband Ihrer Uhr ist ein Verschleißteil und als Naturprodukt  
besonders gefährdet, vor allem durch Feuchtigkeit, Schweiß, Chemikalien  
und Abrieb, es hat deshalb nur eine begrenzte Haltbarkeit und sollte  
(auch aus hygienischen Gründen) je nach Tragegewohnheit alle 6 - 12  
Monate erneuert werden.
